PUP: Where are you fixing it up? (voices overlap)

POO-POO: But yeah, just chillin' with the brother.

PUP: Yeah, that's good, tell him I said (UI).

POO-POO: Hey Chuc... Alright, I'm rappin' to Pup, but Pup says (Spanish). Say (Spanish), he can hear you say (Spanish).

CHUCO: (UI)

POO-POO: Just say (Spanish)!

CHUCO: Hey (Spanish) Pup! (UI, Spanish).

CHUCO: Amore my brother.

PUP: Alright, amore brother.

POO-POO: His chick's about to kick his ass brother.

CHUCO: Come here.

POO-POO: (laughs)

PUP: What's up?

POO-POO: Yeah, his chick thinks he's talking to chicks.

PUP: To who?

POO-POO: His chick thinks I have him over here talking to chicks on the phone.

PUP: Ah (laughs).

POO-POO: Yeah. I...

PUP: Orale. Hey...(voices overlap)

POO-POO: Hey now.

PUP: Yeah, I was, I was tryin' to get that, that thing, you know?

POO-POO: Yeah.

PUP: Told you I would know something today and ah they're havin' a little bit of problem with that. They wanna come up with a couple of bills. So...I, in another two days, I'm gonna try to come up with that and get back with him, and then ah see if you can get that, know?

POO-POO: Alright brother um...I got a, I got, I, I came across some, some good, watch, hold on, let me close this door. Close that door Chuco. Por favor. Yeah, hey brother, can you hear me?

PUP: Yeah.

POO-POO: Yeah, I came ah, alright, there's a...there's a fund raiser for fallen heroes, eh?

PUP: For what?

POO-POO: A fund raiser for fallen heroes next week. (UI)

PUP: Yeah.

POO-POO: And ah...yeah a lot of people, a lot of people are gonna be there, ah, especially people that we know I need to rap to (Spanish)

PUP: Yeah.

POO-POO: So next week, I'm gonna go ah...

PUP: Okay ah...next week?

POO-POO: Next week.

PUP: On ah like a, like on a weekend or what?

POO-POO: Ah it's on Friday, but...but...(voices overlap)

PUP: Okay, cause I'm gonna need a little bit of time.

POO-POO: ...yeah, I'm not gonna...(voices overlap)

PUP: I'll try to (UI, voices overlap)

POO-POO: Yeah, I want (UI, voices overlap) Washa (phonetic) I don't wanna rap to nobody there because that's, that's gonna be too much...too much, you know what I mean?

PUP: Yeah.

POO-POO: All kinds of them fuckers will be there. (Spanish)

PUP: But you don't even, you don't even wanna show your face.

POO-POO: Yeah, no ah... I wanna go and, and see...if I can follow one of them fuckers, eh?

PUP: Okay.

POO-POO: Ah I'm, I'm gonna go buy one of them fuckin', you know them GP-well I don't know, you haven't been out here, they sell 'em at, at Auto Zone. They're ah...(voices overlap)

PUP: Okay, you think ah...(voices overlap)

POO-POO: ...they (UI) this...(voices overlap) Huh?

PUP: Are you gonna go check it out though?

POO-POO: Washa (phonetic)...at Auto Zone they sell these GPS things for your cars for like your kids cars. You put 'em on your kids car, that way when your kid splits with the car you can find 'em, you know what I mean?

PUP: Yeah.

POO-POO: Ah they're like a hundred bucks then you, you just, they just stick to their car. I'm gonna get one of those and throw it on the ride and from there, you know what I mean?

PUP: Yeah.

POO-POO: But ah next week it's gonna s-I'm gonna start, I'm gonna need that like, probably like next week in the middle of the week some time and...you told me it was up to, to me if I needed anybody else carnal and I'm gonna need...one or two other people. Probably, I'm gonna try to keep it one, but I'm gonna need at least one other person you know?

PUP: Okay, now you know that...life is full of risks carnal and the important thing...is which risks you're willing to take. You see what I'm saying?

POO-POO: Yeah nope, I'm, I'm, I'm...I'm gonna, if I'm gonna do it Pup, I'm gonna do it right. You're gonna have to, to do it...(voices overlap)

PUP: Yeah, well that's, well that's...

POO-POO: ...my (UI, voices overlap)

PUP: ... what I'm talkin' about ah... you don't wanna take no risk carnal.

POO-POO: Yeah because...yeah carnal...

PUP: You gotta...(voices overlap)

POO-POO: ...I'll, I'm gonna, I'm gonna...I'm gonna lay back in the cut, I'm gonna find out where they go. I'm gonna fuckin' set it up where...it's, where they're by themselves, and I don't get seen or nothing. I need at least one other person to help me with the leg work. We need to follow 'em, we need

to do it right brother. I'm not, I'm not about half-ass shit. You already know I'm not gonna get caught, you know what I mean? (voices overlap)

PUP: (voices overlap) Okay well that sounds good. That sounds good. That's firme right there.

POO-POO: So ah...the only thing...(voices overlap)

PUP: Yeah but if you...(voices overlap)

POO-POO: ...I haven't ran it down to him or nothing yet. With the brother Chuco (phonetic)...(voices overlap)

PUP: (UI)

POO-POO: Huh?

PUP: I'm gonna, I'm gonna try to get that other thing alright.

POO-POO: Alright, I need two of 'em if you can brother. Two of 'em.

PUP: Two of 'em?

POO-POO: Yeah I already got, I already got some vests brother. I'll send you some pictures of 'em if you wanna check 'em out. I got a vest and everything, you know.

PUP: Alright, I'm gonna see what I can come up with.

POO-POO: Alright, what did the other brother say? They don't wanna...

PUP: What's up?

POO-POO: They (UI).

ERN: He's talkin' about Chris. He's talkin' about Chris.

PUP: Oh I haven't...I, I'm, I'm gonna, I'm gonna check with him and see what's up with that. But he doesn't know nothing right? I don't want him to know nothing.

POO-POO: Yeah, he don't know shit d-you don't, that's why I'm countin' on you to hit him up and...

PUP: Yeah and this other dude that I'm, that I'm getting' at, that other one fool, he's not even a carnal out here yet. He doesn't know nothing either.

POO-POO: Yeah. That's better.

PUP: And I wanna keep it that way right.

POO-POO: Yeah, so that's what I was gonna tell you, you're (UI) use Chris, just have him get 'em, don't say what they're for or nothing, just tell him you need 'em for something.

PUP: Yeah that's the (UI) and they don't even need to know.

POO-POO: Yeah, just tell him you need 'em for something and, and...tell him I'll pick 'em up.

PUP: And I talked to (UI)... I talked to Chris the other day and I told him that if you ever ask him for anything for him to look out for you.

POO-POO: Yeah. Well he already, he already does brother, you know what I mean?

PUP: Oh okay. But I'm gonna...I'm saying that like if you go and ask him whatever, but I'm gonna go ahead and try to get some *feria* from him, so that way I can give it to that other dude so he can get that, know?

POO-POO: Yeah.

PUP: I'll see, I'll ask him to try to get two...see what happens from there, but ah...right now he, he, he says that ah...that there's one there, but they want a little bit of *feria*. He says he's willing to pitch in some *feria* too. So that's even better right?

POO-POO: Yeah.

PUP: So let's do it as that.

POO-POO: Yeah, cause me, I'm (UI) *feria* (UI)...you know to be honest, a while back I was doing real good. Right now...I haven't been doing nothing, you know what I mean?

PUP: Yeah.

POO-POO: So I'm barely getting by on the feria tip. I got more time than money. But...

PUP: Well I know, we'll see what we can come up with right there and ah...and then they'll probably need more feria later on.

POO-POO: Yeah, I was gonna see if you can get a little stash of feria like, like not much, just a little stash just in case, the emergency fund. Do you know what I mean?

PUP: Yeah.

POO-POO: For afterwards, you know what I mean?

PUP: Yeah we'll try to, I'll try to do that.

POO-POO: Just in case brother, you know what I mean?

PUP: Yeah I know. I know, I'll try to do that.

POO-POO: But I'm pretty good at my (UI), you just ah put it in my hands and green light...you know what I mean?

PUP: Yeah.

POO-POO: I might need your word carnal like ah...like brothers out here like the ones that I get, they might need to hear ah yeah, listen to what this vato says, or something like that, you know what I mean?

PUP: Wait, say it again.

POO-POO: I might need your word like ah a few of the carnals (UI)...whichever ones I, I decide to go with...I might need you to tell 'em, yeah you, you ah...that that's legit, listen to what this vato says or something like that, you know what I mean?

PUP: Yeah, but I, if you already know which one...

POO-POO: Yeah. Yeah I know it's not...(voices overlap)

PUP: ...I don't think I need to say anything, but I will. Well the thing is that I don't want...(voices overlap)

POO-POO: ...it's not gonna be...

PUP: ...I don't want too many mother fuckers to know.

POO-POO: I don't want hardly anybody to know, just the ones that are, you know what I mean? But I'll, I, I'll be real careful about it and I won't even do that if I don't have to. But if I do...need you to cosign it, you know what I mean?

PUP: Yeah.

POO-POO: Alright brother.

PUP: Yes, that'll be good.

POO-POO: Alright, then that's where we're at. Work on your end brother and I got mine, you know?

PUP: Okay. (voices overlap)

POO-POO: I'm gonna be going over there to that this, this Friday...next Friday, you know.

PUP: That sounds good. That sounds good.

POO-POO: Alright brother, how are you doing? Hey did Crazo fuckin'...(voices overlap)

POO-POO: Yeah.

PUP: And that first Friday's Pizza, they order it every Friday. They (UI) to order Pizza...(voices overlap)

POO-POO: Yeah.

PUP: ...or a hamburger and all that shit.

POO-POO: Yeah.

PUP: Yeah, and then we got us a couple of Pizzas today, you know, me...ah Crazo, Shadow and he got one too, and (UI) ah Spider them upstairs.

POO-POO: So who, who's all on the pod with you?

POO-POO: When's Ern Dog getting out?

PUP: Huh?

POO-POO: When's Ern Dog getting out?

PUP: When's he getting out Crazo?

CHS: Ah 2017.

PUP: In ah, in a couple of years.

POO-POO: I thought that fucker should already been out A. What about you and Shadow?

POO-POO: What about you and Shadow, where's he at?

PUP: I don't know man. Ah talk to Ern Dog, I mean talk to ah...cause this brother not here, cause it, cause he was living in this cell where I was in and... they kept takin' him out of here, I'm, I don't know what, what's up.

POO-POO: Yeah?

PUP: Yeah Crazo and them, would know a little bit more about it, you know?

CHS: Right.

POO-POO: Yeah. (UI) huh? (voices overlap)

PUP: I don't know what's going on, I guess he's going to court and all that shit.

POO-POO: Oh.

PUP: Back and forth, back and forth to court you know.

POO-POO: Yeah.

PUP: And that's what's going on with him. But I haven't seen him. I haven't seen him since I got here.

POO-POO: Hey brother...

PUP: And then there...there in three B side, they got who else Crazo, they got Swamp and ah...

CHS: Marijuano.

PUP: Huh?

CHS: Marijuano.

PUP: Swamp, Marijuana...

CHS: Loco

PUP: Loco...

POO-POO: Tripping?

PUP: Ah a little bit yeah. He's trippin' out on that fuckin' A and E channel...(voices overlap)

POO-POO: I (UI, voices overlap)

PUP: Hey isn't she still with that vato Mike (UI)?

POO-POO: Ah I don't think she's with him anymore, but she's s-yeah, once in a while she's with him.

PUP: Yeah?

POO-POO: Yeah.

PUP: Last time I talked to her, she was with him right.

POO-POO: Yeah. Yeah that's a...(voices overlap)

POO-POO: That's a...(voices overlap)

PUP: Huh?

POO-POO: ...that's, that's my, my ghetto mom A right there A (laughs)

CHS: (UI)

PUP: Oh is that right?

POO-POO: When I was a little mocoso out there smoking crack, ten, eleven years old, A, she used to pick me up and take me with her A.

PUP: Yeah this is...this is two things that need to be straightened out between all of that shit, you know?

POO-POO: Yeah.

PUP: Or with, with him and the others, you know?

POO-POO: Hopefully it gets straightened out A because them are the vatos that, you know what I mean?

PUP: Yeah, but Trigger, Trigger's acting all fucked up.

POO-POO: Why, what's he...ah...yeah.

PUP: (UI) good.

POO-POO: Yeah brother, I hate to see that kind of, I hate to see it go down like that, what happened to when fuckin' everybody, that would bring 'em closer, now it fuckin' drives 'em apart, you know what I mean?

PUP: Hey.

POO-POO: Hey.

PUP: All them, all them mother fuckers are all over there on that fuckin' drop out program.

POO-POO: I'm tell-I'm telling you fool.

PUP: A grip of them.

POO-POO: I'm telling you, I've been seeing it (laughs) remember...I should be a fortune teller, every time I see you down there, I tell you and then I see you about six, seven months later and you tell me, look at all them guys in the drop out program. (laughs)

POO-POO: All the biggest mob shot callers, all the wa...(voices overlap)

PUP: And...all these... (UI, voices overlap) ... brothers and all that, they're all over there.

POO-POO: All the ones causing all the...confusion and chaos and all that shit skipped out.

PUP: Those are the ones that are over there.

POO-POO: Yep.

POO-POO: And never done nothing for anybody but cause a bunch of shit, and when... (voices overlap)

PUP: That's it.

POO-POO: ...the going got...the first time they got a (Spanish) they skipped out.

PUP: Quicker than fuck. Sparky's over there too.

POO-POO: Yeah. No, but then they wanna fuckin'...then they want a fuckin' cura and they wanna fuckin' ruca and they want everything you know.

PUP: Yeah.

POO-POO: (Spanish)

PUP: A bunch of crazy shit know?

POO-POO: And then you get back to the pinta, you signed up for the football team, and you get back to the pinta and they're playing tennis.

PUP: (laughs)

POO-POO: And they want you to play by the tennis rules, and you're like, I don't even know how to play that game, you know what I mean?

PUP: I already know. Hey what's up with Boxer out there?

POO-POO: I don't s-I haven't seen him, hey I got in a little fuckin' *pedo* with him, argument that still he was on some fuckin' bullshit that he was pulling out, you know what I mean? I haven't seen him A. (voices overlap)

PUP: Yeah. How about (UI)?

POO-POO: Over there at the north he fuckin' did that shit carnal,

I swear to God he was like a ruca and it was, it was weird cause you were in the middle and I didn't wanna keep on... ..looked like (Spanish) and shit, but that fucker was doing some weird shit carnal.

PUP: I'm talkin' about, what's he up to out there?

POO-POO: Oh he's out here, ah Chris told me that he sees him A, and he's all fuckin', Suboxoned-out here and...drunk and acting stupid too.

PUP: Who's he kicking it with?

POO-POO: Ah, I don't know, the only place I ever hear about him is from Chris, you know.

PUP: Oh okay.

POO-POO: And Chris...(voices overlap)

PUP: What about...

POO-POO: Huh?

PUP: ...what about ah Stoner and Jake?

POO-POO: Stoner, I haven't seen him for a while, when I did see him he was strung out. Jake's in school, you know.

PUP: Yeah.

POO-POO: Jake's doing good. He's in school...chilling.

PUP: And (UI)?

POO-POO: Fuckin' Stoner tried to tell Jake ah...let's tell Mario he has to kick in. (laughs)

PUP: Yeah, but don't believe, don't believe everything Jake tells you because Jake just tried to get in the car.

POO-POO: No, Jake's already in the car, I used to hook him up like fuck, but I've known Jake a long time, you know.

PUP: Yeah but he's been trying to get in just to so he can get something from you or from Chris.

POO-POO: Yeah I give him, I used to give him every day for free anyway.

PUP: Okay, now how about...

POO-POO: Yeah, no he...(voices overlap) ...he didn't have no reason to lie like that, you know what I mean?

PUP: Okay, if ah that's the case...and um, and Stoner comes around you with some bullshit like that, fuckin' just, we're gonna blast his ass.

POO-POO: Oh I already know, I already, I told Jake...I told Jake well next time he says that, tell him ah...call me and I'll go over there and tell him, I'll, I'll tell him here it is, come and get it, you know what I mean?

PUP: Yeah.

POO-POO: Come and get it.

PUP: And the same thing...(voices overlap)

POO-POO: (UI) like Stoner brother, people can't pull that shit out here, they, you know what I mean?

PUP: And the same thing with Boxer. If he starts coming at you on the ugly side like that, wanting to fuckin' box or whatever the fuck, just go ahead and fuckin' smash him or whatever.

POO-POO: Hey brother, you already know I, you know what I mean? Remember a long time ago...

PUP: I know, (UI, voices overlap)

POO-POO: ...reme-remember a long time ago...(voices overlap)

PUP: What about Shine-Shine? (voices overlap)

POO-POO: ...remember a long time ago I told you what I was gonna do to Arturo, and you told me well you ain't gonna tell anybody, just do it?

PUP: Hey where's Shine-Shine?

POO-POO: He, I haven't seen him in, since his mom died brother.

PUP: Yeah?

POO-POO: Yeah, I know he took it rough, I don't know.

PUP: Yeah. See if you can get a hold of him and see where he's at.

POO-POO: Alright. I know that he's...(voices overlap)

PUP: See if he (UI) trying to get together, and start fucking...at least ah establishing some type of relationship over again.

POO-POO: I'm telling you Shine-Shine hey he's a...not, not in a bad way carnal, I, I think he's had it with all the fuckin', he said, she said, (UI)...this and that, it's a good carnal like fuck...but he don't want nothing to do with any, anything brother.

PUP: Well them brothers don't wanna do with nothing with anything, and then they wanna contribute with no *feria*...(voices overlap)

POO-POO: But it's not...(voices overlap)

PUP: ...to help brothers out or nothing, (Spanish) with them fuckers afterwards, you know what I'm saying?

POO-POO: Yeah, but check it out carnal...some of 'em...some of 'em have been through the ringer with this (UI) with Arturo and...and all these different *tablas* carnal, all these vatos that have...let him down and put different rules on 'em, and they've seen 'em do all this shady shit, that's why they have that fuckin' mentality carnal. They're not...

PUP: Well they didn't have to be like that. Tell him it's not even like that no more.

POO-POO: Yeah, we've gotta show him, you know what I mean?

PUP: Tell him that, tell him it's not even like that. It's not all about that, and it's not about fucking just sending us *clavo*, and all that, we're not even asking for shit like

that. What we're asking is that true brothers get out there and start establishing a better relationship with each other, and start doing things that true brothers need to do out there, helping each other and give each other 'squina and doing what's right for the ranfla.

POO-POO: Eso (phonetic), Eso, that's what they need to hear. That's...(voices overlap)

PUP: (UI) can deal with all the problems that, that, that he had with other mother fuckin' leaders out there...fuckin' put them fuckers on blast. Don't be blasting each other.

POO-POO: Yep, that's what they need to hear brother, that's what they need to see, they need to...

PUP: Which ever that don't wanna get with the program... then those are the ones that need to be blasted.

POO-POO: Yeah, I know but Shawn would never go to the program. He'll never do that. But he, he don't, he ain't...he ain't gonna sit there and listen to the propaganda and...

PUP: No, no, no, we're not even about that. It, it's not about Arturo, it's not about none of that shit.

POO-POO: I know brother, but, I know, I know what you're about. But a lot of people are already ha-had it with that, you know what I mean? A lot of people have been through the ringer with that shit carnal. I got back...Pup, and vatos were calling me a rat and that (UI), even... that's just my pedo. Shine-Shine and all them there, had their own (UI), and they've seen it happen a million times to good brothers and then it turns out that the vato that's spreading the rumors goes to the program or something, you know what I mean?

PUP: Well that's what it is, they just wanna spread rumors, they just wanna try to cross brothers out over some stupid ass shit because they told...(voices overlap)

POO-POO: And they're tired.

PUP: ...they can't deal with how to change (UI). (voices overlap)

POO-POO: They're tired of (UI) that bond that, that...they're losing all amore, their, their, their corta's (phonetic) still on the right place...(voices overlap)

PUP: (UI)...that's the way they do it right?

POO-POO: Their corta's still on the right place, they're just loos...(voices overlap)

PUP: (UI) a little baby and cry about all that shit. Cry about little things they have or the (UI) brother and all that wanna get other brothers to back 'em up and do all that fuckin' petty ass bull, that juvenile shit that goes on between them, you know? (voices overlap)

POO-POO: But that's what... (voices overlap)

PUP: That's what, that's what it is.

POO-POO: That's what ...that's why they think (UI) but...(voices overlap)

PUP: Fuck all that bullshit A. (voices overlap) If brothers wanna be acting all like fucking sissys like that...blast them fuckers. Smash them mother fuckers, you know/ If they don't wanna be...(voices overlap)

POO-POO: I agree one hundred...(voices overlap)

PUP: ...with (UI)...smash the mother fucker.

POO-POO: One hundred percent brother, I hear you. I hear you. (voices overlap)

PUP: And that shit about them just fucking talking about they're only gonna fuck with that one brother out there on the street, that's because that brother's out there holding. That's the only reason they're there, just so they can get high and shit. Fuck that shit. (voices overlap)

POO-POO: Yep.

PUP: Cut them fuckers off, you know?

POO-POO: Take it. Go get it. (UI). get it. Why are you gonna let a (UI) have power just cause you got *clavo*, go get it.

PUP: If they're not willing to make feria and to fuckin' look out for each other like that, and, and, and, and for, for all of you guys that are out there in 'Burque right now, you guys should all be on the same page. All be fuckin' talking to each other, fuckin' meeting once in a while, and taking care of each other out there. Like you're helping the carnal, Chuco right now with his ride...that's...(voices overlap)

POO-POO: Yep.

PUP: ...a good thing carnal. Brothers we should all be doing shit like that, you know what I'm saying?

POO-POO: Yeah well...(voices overlap)

PUP: And in the meantime, when you have a fucking hater that needs to be dealt with, and fucking, and, and, and you brothers discuss who in the fuck is hating out there, who needs to be handled, handle that shit. Maybe if you don't have to do it, but get it done. There's a lot of little homies that look up to you brothers out there.

POO-POO: Yep. Yeah, I know how to...(voices overlap)

PUP: And there (UI) to be (UI, voices overlap)

POO-POO: ...I know how to do mine carnal like, I do a lot separate from the *onda*, because it's been, the game's been dirty brother, it's been dirty. I know how to do mine. I bring something to the table carnal. I've never been one that, that comes to the *onda* asking for something. I always have. I always bring something carnal. That-once in a while I've been down and out, but for the most part I bring.

PUP: And you got, you can get yourself a little crew out there with this little homie. Them little tiny homies out there fourteen, fifteen, sixteen years old, seventeen, whatever...and they look up to you. They might know you from your *ruca*, or from *primos*, or whatever, them little fuckers look up to you, you can fuckin', if they're out there doing burglaries and doing all kinds of shit, fuckin' tell, "Look, I know...(voices overlap)

POO-POO: Yeah...

PUP: ...where you can get rid of this shit." And do them right, don't do 'em wrong. *Si me entiendes?*

POO-POO: That's what I do. I just do it with them straight up. (voices overlap)

PUP: And get yourself a little crew together like that, build that fuckin' relationship with them, that way they'll always be *respeto*, and, and the future to come, and at the same time...hey...when the *jale* needs to be done, them little homies are right there to fuckin' do it. And they won't even, they won't even that, they won't even fuckin' ask why. Just fuckin', they do it, and look out for (UI) or whatever so they can party with their little, other little homies in the neighborhood right?

POO-POO: Hey, that's the way I do it brother, I'm, I'm already...I'm already on that page. That's why I said, I do a lot of things separate from the brothers cause...cause it's dirty around here carnal. I, I...I get other people that, that, I get rucas that are down, ah homies that are down, you know what I mean?

PUP: Yeah.

POO-POO: And, and I do it like that brother, and I deal with them straight up. I do 'em right. I, I fuckin'...cause there's money to be made brother if you could, you could do 'em right and still make a fuckin' killing off of them, you know what I mean? (voices overlap)

PUP: (UI, voices overlap) ...give 'em (UI)...(voices overlap)

POO-POO: And they'll be happier then fuck with what you sold 'em or what you gave 'em. You know what I mean? But yeah.

PUP: But (UI, voices overlap) Try to holler at all the brothers, and, and, and let them know. I mean we're, we're getting our shit right in here.

POO-POO: Who do you have faith out here brother?

PUP: (UI, voices overlap)

POO-POO: Who...(voices overlap)

PUP: We're getting our shit right in here. Brothers need to get their shit right out there.

POO-POO: Who do you have faith in out here brother? Who...who's out here that you have faith in that's worth reaching out to?

PUP: Shawn-Shawn (phonetic)

POO-POO: Okay.

PUP: Okay, now there's another brother, I forget his ah...okay... What's up with Weasel and them.

POO-POO: Weasel and them are good brother ah...they're around, I, I haven't seen 'em, but Weasel, that's my dog like fuck. He's good.

PUP: That's good. Holler...talk to Weasel. Talk to Weasel, get him, get him there. Start communicating again. Start fuckin' living a, a strong relationship.

POO-POO: I got a strong relationship with Weasel. I could not see him in ten years and that's still my brother, me and him...are on the same page like fuck, we, we, you know what I mean?

PUP: Alright then, start reaching out to him. That's the problem, the brothers ain't reaching out to each other out there. You need to, right?

POO-POO: Well give me, give me ah, a, a, a list carnal of, of vatos that you have...a smigit of hope in that are worth reaching out to, and I'll start goin' in and I'll seeing what they're up to, and I'll start reaching out a hand to them and see how they act, you know what I mean?

PUP: Yeah and you talk to Shawn-Shawn, and see where he's at. Try to get him off whatever viajes he's on. Tell him this ain't no Arturo shit. This ain't no Styx (UI), and this ain't all that fuckin' crazy ass bullshit, you know?

POO-POO: (UI) hater shit allowed here.

PUP: You know what, we're, we're starting over carnal, we're getting rid of all that fuckin' bullshit, and the ones that are dropping out - that's even better for us. We get to see who's who and all that, you know?

POO-POO: Remember when I came to the pinta carnal...you couldn't...even a carnal couldn't call somebody a rat unless they had paperwork. (voices overlap)

PUP: They didn't even talk like that. That's the, that, but it's gotten to the point where that's where it's at now, where...(voices overlap)

POO-POO: And then, washa (phonetic) carnal, much less...(voices overlap)

PUP: ...(UI) a lot of people (UI), a lot of people (UI)...another ah, ah...(voices overlap) you just don't see people in general...(voices overlap)

POO-POO: Was...washa carnal...brother...(voices overlap)

PUP: ...all that type of shit and, and brothers would talk on the side, and whisper and then poke fucking cockroaches in other brothers ear...(voices overlap)

POO-POO: Washa (phonetic) brother...

PUP: ...not (UI), or just assuming that that's what it is, or, or fucking going off of shit that somebody says, and twisting it up, at-all that, all that still, is, is still there. But... (voices overlap)

POO-POO: Washa (phonetic) brother...

PUP: ...we're starting to identify that shit, you know?

POO-POO: Washa (phonetic) brother...

PUP: We're starting to (UI) what's creating the problem.

POO-POO: Washa (phonetic) carnal.

PUP: That's what creates the fuckin' problem. And that's because a brother hasn't been schooled right and he, and he fucking wants to keep on fuckin' doin' that shit, well eventually he's gonna get touched. That's all there is to it. If he wants to keep doing that, and we see that it's been a pattern for that brother, who ever's doing it for a while now, and we see that he's obviously (UI) to

be the one that's having problems with other brother... we'll deal with that fucker in here, you know?

POO-POO: Washa (phonetic) carnal. We don't need a bunch of new rules, we just need the old ones. Alright check it out...much less a carnal, if you call the carnal a rat, then you better have that paperwork or it's your fuckin' ass. Why don't we just start doing that again carnal? We know who's...

PUP: Well that's (UI) rule. (voices overlap)

POO-POO: Check it out...there's vatos in the, in the (Spanish) that have been around ten, fifteen years have been in the mix, and somebody calls 'em a rat, and they're on, they're, they're exiled carnal. And they've been around, and nobody has...

PUP: (UI, voices overlap)

POO-POO: ...nobody has a scrap of paperwork on 'em, nobody can point and say this is what he told on. Nobody can say nothing like that carnal. So them vatos...they need to be showin' up carnal, cause who wants to be in the m-circle of c-who wants to sit in the circle of killers that you don't trust, you know what I mean?

PUP: Yeah, yeah, but we're on that now. Ah as a matter of fact I was on that when I was in Cruces, was with fuckin' Cyclone was trying to put a rat jacket on fucking Enrique Roybal and then we fuckin', and then, and then ah they're, some of the brothers were like well fuck it, let Cyclone hit him if...like Cyclone's the one's calling him a rat and this and that. Fuck, I was like what the fuck? What are you talking about, let Cyclone hit him? If Cyclone hasn't even pulled out my paperwork on him, so why in the fuck should we let Cyclone hit him? If anything...it'll be Enrique hitting fucking Cyclone. You know what I'm saying?

POO-POO: Yeah or give 'em, or give 'em both (UI, voices overlap)

PUP: (UI)

POO-POO: You wanna open your mouth before you have the paperwork...you wanna open your mouth before you have the paperwork, here's

Enrique, and Enrique ah, Cyclone said you were a rat. Here's the *ferio* here's the *ferio*, fuck you guys, go to the room. You know what I mean?

PUP: Yeah, that's, that's, that's all gonna be looked at. That's all, it's, it's, it's gonna be okay carnal and at the same time...(voices overlap)

POO-POO: And they still, and they still after that it doesn't just die right there. Alright, and, and let's say...

PUP: (UI) and we're having to deal with right now...is this mother fuckin' STIU. He fuckin' twists this shit up and, and, and brothers are believing that shit. That's the problem right now.

POO-POO: Yeah, what are they...what are...(voices overlap)

PUP: (UI)...that are fucking (UI) side of a jura, and the jura say, you know?

POO-POO: What are these Chri... oh the juras are going there saying...(voices overlap)

PUP: They don't understand, they don't understand that the juras are fucking creating wedges between us and fucking causing all kinds of (UI). They don't even understand that but that'll get dealt with too.

POO-POO: Divide and conquer us but...that's the first fuckin'...yeah. Yeah brother, that's the one thing...

PUP: Well that (UI, voices overlap) said that? They believe everything that the jura writes or reports. They go off on all that shit, no?

POO-POO: That's one thing carnal ah...(voices overlap)

PUP: Fuck all that (UI) crazy ass shit. That's that Springer shit, that's that, that's that juvenile shit, what they haven't learned yet, no?

POO-POO: Yeah, how hard could, how hard could...(UI, voices overlap)

PUP: (UI, voices overlap)...the mob, fuckin' talking all kinds of shit. But...

POO-POO: How I feel, (UI) ride and die for somebody carnal that doesn't even fuckin'...that all it takes, all it takes is a rumor, and a la verga.

PUP: That's what it is. And that's...(voices overlap)

POO-POO: How (UI)...

PUP: ...what we're gonna try to stop. We're gonna identify...(voices overlap)

POO-POO: Yeah.

PUP: ...who are the ones doing it.

POO-POO: How (UI) show up to the pinta...

PUP: And (UI) fucking history...of gossiping like that...

POO-POO: Hey carnal...(voices overlap)

PUP: ...trying to cross brothers out and doing all that. We'll see who they are. (voices overlap)

POO-POO: ...hey how about this brother.

PUP: I'm here now. (voices overlap) I'll fuckin' (UI) that shit.

POO-POO: Think of it...(voices overlap)

PUP: (UI, voices overlap)

POO-POO: Think of this carnal, how am I gonna...(voices overlap)

PUP: ...this and that. I'll pack a (UI) just like them other mother fucker right?

POO-POO: Think of this carnal, how am I gonna be able to (UI) and I never even heard of? Gonna fuckin' be ah telling me, (UI) telling me this and that and all, you know what I mean?

PUP: Yeah.

POO-POO: You gotta think about stuff like that carnal cause that's

what's picking this one apart but...(voices overlap)

PUP: Well believe me, I'm on it. I think of all that.

POO-POO: I told you brother when we were at the North, I got your back.

PUP: I think of all that... (UI, voices overlap)...

POO-POO: I (UI), I got your back your back for shit like this brother. (voices overlap)

PUP: ...do that in here. And ah out there, you guys just stay focused on want it to be done out there, no?

POO-POO: I know your heart's in the right place carnal and, and ah... there's a mess going on and I, I, if you, you, you're willing to put up with the headache and get it back, then I'm willing to help you, you know what I mean?

PUP: Well I'm trying to, I'm trying to fuckin', I'm still, I'm still fuckin' observing. You already know how I observe, and I'll be quiet until the time comes. I'm observing, I'm seeing where everyone's at. And seeing how they're acting and woo-woow-woo, which are the bitter ones, and why they're acting bitter, if it's a personal, or what-ever, ever, and all kinds of shit, but I'm on it carnal, don't even trip.

POO-POO: Yep. Cause nobody's perfect they a...(voices overlap)

PUP: And just cause I don't say nothing...believe me, I'm on it.

POO-POO: These vatos turn, it turned into like a popularity contest while you were gone carnal, it doesn't matter.

PUP: Well that's what it is, a popularity contest. Everybody wants to be popular and then they wanna take other brothers and turn 'em against other brothers and doing all kinds of shit by running their mouth, no?

POO-POO: Yeah survivor (Spanish), they watch TV and they got this (UI) from Survivor.

PUP: I know, that's what we're on right now we're just trying to fuckin' take all that stupid shit away and take the

fuckin'...

POO-POO: (UI)

PUP: ... (UI) and all that bullshit and, and, and, and make brothers realize that these fuckin' juras, these STIU and Central Office are on a mission to try to fuckin' create a bunch of *pedo*, no?

POO-POO: Yeah, cause I'll go the extra mile for a brother...I'll go for an extra, the extra mile for a brother that's worth it carnal. I'll overlook a lot. A lot can be forgiven except for certain things, you know, so you...

PUP: Yeah, (UI) have to be the one...(voices overlap)

POO-POO: ...you, if you can brother...

PUP: (UI, voices overlap)

POO-POO: ...if you can that would help me out a lot out here, if you could get a list of brothers that you have...ah, ah, a little bit of hope or faith or whatever, for me to go check 'em out. And I'll just go reach out to 'em brother. Just go and see what they're about, see what they're up to, see where their mind's at, and see if I can't pull 'em in, you know what I mean?

PUP: Okay, talk to them, talk to 'em about, you know, you brothers doing, getting together out there, and this and that. Now as far as this *pedo*, that, that, that, that ah... (voices overlap)

POO-POO: Yeah, no, this is...this is something else, yeah.

PUP: ...(UI) what I'm talking to you about now?

POO-POO: Yeah, that's something else.

PUP: That's something else, keep that, keep that down thought alright?

POO-POO: Come on brother.

PUP: Alright, alright, alright.

POO-POO: (laughs) Brother...brother...

PUP: Is this (UI)?

POO-POO: Pup.

PUP: I want you to find out where every body's at out there.

POO-POO: That's what I'm telling you. That's what I'm telling you.
(voices overlap)

PUP: And don't hesitate to call. (voices overlap) Don't
hesitate to call them up and get their numbers and see where
they're at and all that. Just, so that wy you can let me
know...where every body's at out there, and then I'll fuckin'
let you know which ones to holler at and shit.

POO-POO: Alright brother.

PUP: Right now we don't even know who all is out there.

POO-POO: That's what I'm saying, I don't know who's out here either
brother. You know what I mean? I, I, the way I do my
(Spanish) carnal I hit the war zone, I meet all kinds of
youngsters from everywhere, and I do my thing. I treat
'em good like I said and, and I put little, little crews
together, temporary crews. Hey, I'll meet, I'll, I'll go
to a crack house, a meth house somewhere...and where they're
doing things, and I'll go in there and, and I'll have a
sack, and I'll start selling 'em dope, and I'll give 'em
good prices, and I'll help 'em out...

PUP: Hold up, hold up (UI)...

CHS: Nah, we're good.

PUP: ...(UI)...

CHS: (UI) (pause)

PUP: Hey...

POO-POO: Hey.

POO-POO: Alright, hey, well I'll let you go Pup.

POO-POO: Yeah, I'll let you know brother, just ah, yeah.

PUP: Let me know. I'm gonna try to get back with you in a couple of days. I'm gonna try to (UI) that other thing...(voices overlap)

POO-POO: And this thing right...(voices overlap)

PUP: ...and then ah...then I'll, I'll get back with you.

PUP: (UI, voices overlap) we've been speaking on the down low right now you know?

POO-POO: I don't want my name going to STIU and the *juras* start fucking with me, you know what I mean?

19 like that, you know what I'm saying?
20 POO-POO: Yeah well(voices overlap)
21 PUP: And in the meantime, when you have a fucking hater that
22 needs to be dealt with, and fucking, and, and, and you brothers
23 discuss who in the fuck is hating out there, who needs to be
24 handled, handle that shit. Maybe if you don't have to do it, but
25 get it done. Theres a lot of little homies that look up to you
00023:01 brothers out there.
02 POO-POO: Yep. Yeah, I know how to(voices overlap)
03 PUP: And there (UI) to be (UI, voices overlap)
04 POO-POO: I know how to do mine carnal like, I do a lot separate
05 from the onda, because its been, the games been dirty brother,
06 its been dirty. I know how to do mine. I bring something to
07 the table carnal. Ive never been one that, that comes to the
08 onda asking for something. I always have. I always bring
09 something carnal. That-once in a while Ive been down and out,
10 but for the most part I bring.
11 PUP: And you got, you can get yourself a little crew out there
12 with this little homie. Them little tiny homies out there
13 fourteen, fifteen, sixteen years old, seventeen, whatever and
14 they look up to you. They might know you from your ruca, or
15 from primos, or whatever, them little fuckers look up to you,
16 you can fuckin, if they're out there doing burglaries and doing
17 all kinds of shit, fuckin tell, Look, I know(voices overlap)
18 POO-POO: Yeah
19 PUP: where you can get rid of this shit. And do them right,
20 don't do em wrong. Si me entiendes?
21 POO-POO: that's what I do. I just do it with them straight up.
22 (voices overlap)
23 PUP: And get yourself a little crew together like that, build
24 that fuckin relationship with them, that way theyll always be
25 respeto, and, and the future to come, and at the same
00024:01 time hey when the jale needs to be done, them little homies are
02 right there to fuckin do it. And they wont even, they wont even
03 that, they wont even fuckin ask why. Just fuckin, they do it,
04 and look out for (UI) or whatever so they can party with their
05 little, other little homies in the neighborhood right?
06 POO-POO: Hey, that's the way I do it brother, I'm, I'm already Im
07 already on that page. that's why I said, I do a lot of things
08 separate from the brothers cause cause its dirty around here
09 carnal. I, II get other people that, that, I get rucas that are
10 down, ah homies that are down, you know what I mean?
11 PUP: Yeah.
12 POO-POO: And, and I do it like that brother, and I deal with
13 them straight up. I do em right. I, I fuckin cause theres money
14 to be made brother if you could, you could do em right and still
15 make a fuckin killing off of them, you know what I mean?
16 (voices overlap)
17 PUP: (UI, voices overlap) give em (UI)(voices overlap)
18 POO-POO: And theyll be happier then fuck with what you sold em
19 or what you gave em. You know what I mean? But yeah.

Exh335 - DISC 6094-6127.Trans of CHS & ABaca 11-15-12-15.1168.001PL.R.txt

20 PUP: But (UI, voices overlap) Try to holler at all the brothers,
 21 and, and, and let them know. I mean were, were getting our shit
 22 right in here.
 23 POO-POO: Who do you have faith out here brother?
 24 PUP: (UI, voices overlap)
 25 POO-POO: Who(voices overlap)
 00025:01 PUP: Were getting our shit right in here. Brothers need to get
 02 their shit right out there.
 03 POO-POO: Who do you have faith in out here brother? Who whos out
 04 here that you have faith in that's worth reaching out to?
 05 PUP: Shawn-Shawn (phonetic)
 06 POO-POO: Okay.
 07 PUP: Okay, now theres another brother, I forget his ah okay.
 08 What's up with Weasel and them.
 09 POO-POO: Weasel and them are good brother ah they're around, I, I
 10 havent seen em, but Weasel, that's my dog like fuck. Hes good.
 11 PUP: that's good. Holler talk to Weasel. Talk to Weasel, get
 12 him, get him there. Start communicating again. Start fuckin
 13 living a, a strong relationship.
 14 POO-POO: I got a strong relationship with Weasel. I could not
 15 see him in ten years and that's still my brother, me and him are
 16 on the same page like fuck, we, we, you know what I mean?
 17 PUP: Alright then, start reaching out to him. that's the
 18 problem, the brothers aint reaching out to each other out there.
 19 You need to, right?
 20 POO-POO: Well give me, give me ah, a, a, a list carnal of, of
 21 vatos that you have a smigit of hope in that are worth reaching
 22 out to, and Ill start goin in and Ill seeing what they're up to,
 23 and Ill start reaching out a hand to them and see how they act,
 24 you know what I mean?
 25 PUP: Yeah and you talk to Shawn-Shawn, and see where hes at.
 00026:01 Try to get him off whatever viajes hes on. Tell him this aint
 02 no Arturo shit. This aint no Styx (UI), and this aint all that
 03 fuckin crazy ass bullshit, you know?
 04 POO-POO: (UI) hater shit allowed here.
 05 PUP: You know what, were, were starting over carnal, were
 06 getting rid of all that fuckin bullshit, and the ones that are
 07 dropping out - that's even better for us. We get to see whos who
 08 and all that, you know?
 09 POO-POO: Remember when I came to the pinta carnal you couldnt even
 10 a carnal couldnt call somebody a rat unless they had paperwork.
 11 (voices overlap)
 12 PUP: They didnt even talk like that. that's the, that, but its
 13 gotten to the point where that's where its at now, where(voices

 15 POO-POO: And then, washa (phonetic) carnal, much less(voices
 16 overlap)
 17 PUP: (UI) a lot of people (UI), a lot of people (UI)another ah,
 18 ah(voices overlap) you just don't see people in general(voices

 20 POO-POO: Waswasha carnal brother(voices overlap)
 21 PUP: all that type of shit and, and brothers would talk on the

Exh335 - DISC 6094-6127.Trans of CHS & ABaca 11-15-12-15.1168.001PL.R.txt

24 P00-P00: Washa (phonetic) brother
 25 PUP: not (UI), or just assuming that that's what it is, or, or
 00027:01 fucking going off of shit that somebody says, and twisting it
 02 up, at-all that, all that still, is, is still there. But
 03 (voices overlap)
 04 P00-P00: Washa (phonetic) brother
 05 PUP: were starting to identify that shit, you know?
 06 P00-P00: Washa (phonetic) brother
 07 PUP: Were starting to (UI) What's creating the problem.
 08 P00-P00: Washa (phonetic) carnal.
 09 PUP: that's what creates the fuckin problem. And that's because a
 10 brother hasnt been schooled right and he, and he fucking wants
 11 to keep on fuckin doin that shit, well eventually hes gonna get
 12 touched. that's all there is to it. If he wants to keep doing
 13 that, and we see that its been a pattern for that brother, who
 14 evers doing it for a while now, and we see that hes obviously
 15 (UI) to be the one that's having problems with other brother well
 16 deal with that fucker in here, you know?
 17 P00-P00: Washa (phonetic) carnal. We don't need a bunch of new
 18 rules, we just need the old ones. Alright check it out much less
 19 a carnal, if you call the carnal a rat, then you better have
 20 that paperwork or its your fuckin ass. Why don't we just start
 21 doing that again carnal? We know whos
 22 PUP: Well that's (UI) rule. (voices overlap)
 23 P00-P00: Check it out theres vatos in the, in the (Spanish) that
 24 have been around ten, fifteen years have been in the mix, and
 25 somebody calls em a rat, and they're on, they're, they're exiled
 00028:01 carnal. And theyve been around, and nobody has
 02 PUP: (UI, voices overlap)
 03 P00-P00: nobody has a scrap of paperwork on em, nobody can point
 04 and say this is what he told on. Nobody can say nothing like
 05 that carnal. So them vatos they need to be showin up carnal,
 06 cause who wants to be in the m-circle of c-who wants to sit in
 07 the circle of killers that you don't trust, you know what I mean?
 08 PUP: Yeah, yeah, but were on that now. Ah as a matter of fact I
 09 was on that when I was in Cruces, was with fuckin Cyclone was
 10 tryin to put a rat jacket on fucking Enrique Roybal and then we
 11 fuckin, and then, and then ah they're, some of the brothers were
 12 like well fuck it, let Cyclone hit him if like Cyclones the ones
 13 calling him a rat and this and that. Fuck, I was like what the
 14 fuck? What are you talking about, let Cyclone hit him? If
 15 Cyclone hasnt even pulled out my paperwork on him, so why in the
 16 fuck should we let Cyclone hit him? If anything itll be Enrique
 17 hitting fucking Cyclone. You know what I'm saying?
 18 P00-P00: Yeah or give em, or give em both (UI, voices overlap)
 19 PUP: (UI)
 20 P00-P00: You wanna open your mouth before you have the
 21 paperwork you wanna open your mouth before you have the

 23 a rat. Heres the ferio heres the ferio, fuck you guys, go to
 24 the room. You know what I mean?
 25 PUP: Yeah, that's, that's, that's all gonna be looked at. that's
 00029:01 all, its, its, its gonna be okay carnal and at the same
 02 time (voices overlap)

Exh335 - DISC 6094-6127.Trans of CHS & ABaca 11-15-12-15.1168.001PL.R.txt

03 POO-POO: And they still, and they still after that it doesnt
 04 just die right there. Alright, and, and lets say
 05 PUP: (UI) and were having to deal with right now is this mother
 06 fuckin STIU. He fuckin twists this shit up and, and, and
 07 brothers are believing that shit. that's the problem right now.
 08 POO-POO: Yeah, what are they what are (voices overlap)
 09 PUP: (UI)that are fucking (UI) side of a jura, and the jura say,
 10 you know?
 11 POO-POO: What are these Chri oh the juras are going there

 17 POO-POO: Divide and conquer us but thats the first fuckin yeah.
 18 Yeah brother, that's the one thing
 19 PUP: Well that (UI, voices overlap) said that? They believe
 20 everything that the jura writes or reports. They go off on all
 21 that shit, no?
 22 POO-POO: that's one thing carnal ah (voices overlap)
 23 PUP: Fuck all that (UI) crazy ass shit. that's that Springer
 24 shit, that's that, that's that juvenile shit, what they havent
 25 learned yet, no?
 00030:01 POO-POO: Yeah, how hard could, how hard could (UI, voices

 03 PUP: (UI, voices overlap)the mob, fuckin talking all kinds of

 05 POO-POO: How I feel, (UI) ride and die for somebody carnal that
 06 doesnt even fuckin that all it takes, all it takes is a rumor,
 07 and a la verga.
 08 PUP: that's what it is. And thats (voices overlap)
 09 POO-POO: How (UI)
 10 PUP: what were gonna try to stop. Were gonna identify(voices

 12 POO-POO: Yeah.
 13 PUP: who are the ones doing it.
 14 POO-POO: How (UI) show up to the pinta
